

Wool in Schools

Activity sheet

Art and craft

You can do whatever you like with arts and crafts using wool! It's your art, so go crazy!

Activity ideas

1. Draw a self-portrait and give yourself a wacky new hairstyle by sticking coloured wool yarn to your picture!
2. Make a cute pom-pom key ring to hang on your schoolbag. Or add pipe-cleaners and wiggly eyes for a scary pom-pom spider pet.
3. Learn to finger knit – it's as easy as 1-2-3 (but you'll need fingers 4 and 5 too.)
4. Make a felt ball garland for your bedroom wall.
5. Make a poster advertisement to sell your favourite wool product. Don't forget to put some of the benefits of wool on your poster!
6. Make a wiggly book-worm bookmark! Cut out a cardboard worm and wrap tightly in woollen yarn.
